User Generated

UGC Content Strategy

Planning & Analysis

Imagine a social world where your customers, clients and potential customers are talking about you in a positive way that drives interaction, positive brand noise and new or repeat business without you lifting a finger. We get people talking about you without you doing a thing.

- ✓ Strategy
- ✓ Events
- ✓ Reviews & Videos
- ✓ Channels
- ✓ Influencers
- ✓ Competitions

Action & Implementation

User Generated Content is defined as any type of content that has been created and put out there by unpaid contributors or, using a better term, fans. It can refer to pictures, videos, testimonials, tweets, blog posts, and everything in between and is the act of users promoting a brand rather than the brand itself

Lead Generating

Planning & Analysis

A carefully planned campaign, be it for **HUB** or **HERO** campaigns the day of the week, time of day and audience that we target can have a huge impact on results. Who you plan to engage with, associate with and what to promote when can also see results grow quickly when executed well. Your strategist will plan for this and execute with your approval every step of the way.

- Social Calendar (Monthly)
- Outreach Strategy
- Channels & Schedules
- Social Media Analytics
- Results & Reporting

Action & Implementation

When most marketers think of social media they immediately associate it with brand building, and not sales, Right or Wrong?

WRONG. We have years of experience and social marketing is no longer the cherry on the top, social marketing drives unrivalled cost per lead and acquisition results versus some other traditional platforms. It is the perfect medium at every stage of the marketing funnel.

Your Social NRG

Social Management

Planning & Analysis

To run an effective social campaign one needs time, the ability to monitor activity, be alerted to relevant industry noise and competitors behaviour, run current new stories, promotions and community posts. The key is the constant contribution to social, filtering and measuring what is successful.

- Google Alerts
- Email Notifications set up
- Monthly Profile analysed
- Alerts to Negative Interactions
-

Action & Implementation

Time runs everything and it is certainly no different with social and now Google even rewards social media managers that respond and react in a timely fashion. Using machines we can interact with your customers whilst you focus on what you do best.

- Chatbots set up
- Automated Scheduling Set Up
- Email notifications
- Automated reporting
